RIOTS IN LAWRENCE STREETS 50 PERSONS ARE HURT TODAY

STREET FIGHTING CONTINUES WOMEN STRIKERS LEAD MOBS

MANY SCHOOLS ARE CLOSED
STREET CARS ARE ATTACKED
BY MOBS AND MERCHANTS
CLAMOR FOR PROTECTION.

LAWRENCE, Mass., Jan. 29.—Rioting by the textile working strikers in the streets has been continuous throughout the forenoon here and the situation is hourly becoming more critical.

Six strikers have been arrested today and a dozen have been clubbed by the police in the efforts to drive them back from the mills. A troop of cavalry and more infantry has been called out to help hold the rioting strikers in check.

The street fights have been almost continuous today and 50 persons have been injured, including many women and children. Many women have been in the mobs and prisoners are being rushed to the jails.

Women strikers, frantic with hunger, are leading in the street fighting. They seize the lunch baskets of those going to work, eagerly devouring the contents. The street riots have brought on frequent clashes with the militia today.

Many of the public schools have been closed because of the condition of affairs. Street cars have been stopped and bombarded with stones and ice. To save the cars from damage the power has been turned off. The merchants and business men are clamoring for sufficient martial protection to stop the riots and fights.

FIRST REAL BASEBALL GAME WILL BE PLAYED NEXT WEEK

TEAM FROM ROLLINS COLLEGE
WILL BE FIRST OPPONENTS OF
THE DAYTONA CLUB FOR
GAMES IN THIS CITY.

Win or baseball now seems to be an assured thing for Daytona and the first real game will be played in this city next week with the Rollins college team from Winter Park.

Arrangements have been made with this team by Manager Pete Rodgers to play here next week Wednesday and Thursday, and the games will be played in the afternoon at Harrison park. The Rollins college team is in good condition and will be in shape to put up a tough game for the local club.

Manager Rodgers had his squad out for another practice Sunday morning and the indications are the local club will be in good condition for the opening contest. The local players will have the assistance of several National League and American association players and the reputation of these men in the baseball world will make them an attraction well worth the time necessary to see them in action.

A schedule of games to be played with other state teams is now being made up by Manager Rodgers.

LYMAN TWINS COMING IN "THE SPECULATORS."

The famous young stars, "The Lyman Twins Brothers," who have jumped with wonderful strides to the front ranks as comedians, and Daytona theatergoers will have the pleasure of seeing in a new musical play, "The Speculators," which is said to be the best and most complete musical comedy production they have yet produced, being mounted in a most elaborate manner with a large company, including the charming little comedienne Fannie Fann, and a handsomely gowned chorus.

The sections of the country in which this play is laid makes it possible for some beautiful stage pictures and has given the scenic artists ample scope for some elaborate settings and some of the most pleasing stage pictures one could wish to see. "The Speculators" will be seen here Tuesday and Wednesday.

STEEL MILL CONDITIONS ARE SCORED

WORSER THAN SLAVERY SAYS PROMINENT BOSTON ATTORNEY

LAWYER FOR CORPORATION
TRIES TO HAVE TESTIMONY
EXCLUDED FROM THE STAN-
LEY COMMITTEE.

WASHINGTON, Jan. 29.—Louis Brandies, the prominent Boston attorney, scored labor conditions at the plants of the United States Steel Corporation today before the Stanley committee, which is investigating that corporation.

Attorney Reed for the steel trust, argued a vigorous protest against the testimony of Mr. Brandies, urging that the labor feature is beyond the jurisdiction of the committee. Representative Stanley overruled Attorney Reed's objection, stating that the labor conditions are an essential feature of the steel corporation inquiry.

Attorney Brandies declared that conditions worse than slavery exist in the steel corporation plants.

ACCIDENT AT THE ARCADE LAST SATURDAY NIGHT

YOUNG GIRL HAD LEG BROKEN
BY FALL ON FLOOR OF SKAT-
ING RINK AT AMUSEMENT
PLACE.

Miss Martha Gardner, the young daughter of Capt. John Gardner of Ridgewood avenue, Blake, fell at the Arcade skating rink Saturday night about 9 o'clock, and sustained a fracture of the tibia or large bone of her right leg. Dr. Roy Howe was present at the time and took charge of Miss Gardner and conveyed her to her home in his automobile. Dr. Howe set the broken bone and the young lady is resting as comfortably as could be expected.

The accident is said to have resulted through the inattention or carelessness of a young man from Daytona Beach, but an accident of this kind could readily occur without any malicious intent.

MURDERER ELECTROCUTED AT SING SING

WOLTERS GOES TO HIS DEATH WITHOUT SHOWING A TREMOR

PAYS PENALTY FOR KILLING
YOUNG RUTH WHEELER IN
NEW YORK CITY AFTER LUR-
ING HER TO HIS ROOMS.

OSSENING, N. Y., Jan. 29.—Protesting his innocence to the last, Albert Wolter was electrocuted at Sing Sing today for the murder of Ruth Wheeler, aged 15, in March 1910. Wolter went to his death without a tremor.

The crime for which Wolter paid with his life today was one of the most wanton and brutal in the criminal annals of New York City. It was the climax of a career of depravity that, for a youth of his age, has seldom been equaled.

Wolter, the youngest convicted murderer in the history of the state, was only a little past 18 years of age when he lured little Ruth Wheeler, 15 years old, to his apartment, assaulted and killed her, and then tried to conceal his crime by burning the body in a stove and hiding the package of charred bones on the fire escape.

Early in March, 1910, the little Wheeler girl advertised for a position as stenographer. Wolter answered her advertisement, telling her to come to his apartment. The little girl left home on March 4, and was never seen alive again.

After carrying on a fruitless search secretly, the relatives of the Wheeler girl notified the police of her disappearance on March 25. Then began a systematic hunt for some clue that might give a hint to the fate of the missing girl. In opening one of the windows of Wolter's apartment, a reporter accidentally knocked a large package from the window sill to the fire escape, a drop of only a few inches, but the force of the fall was enough to break the package open and disclose the charred body of little Ruth.

Wolter had strangled the girl to death when she fought off his assault, and had attempted to hide his crime by burning the body, according to evidence introduced by the prosecuting attorney during the trial. Wolter's arrest, trial, conviction and sentence after the discovery of the murder broke all records for the speed made by the New York wheels of justice, requiring only 28 days.

Another record was broken after his sentence in the number and length of delays before his execution. He enjoyed more respites in the payment of the death penalty than any other condemned prisoner who ever occupied a cell in the death house at Sing Sing, one year, nine months and 14 days having elapsed between the time of his conviction and the final date of his execution.

DAILY STOCK MARKET REPORT.

NEW YORK, Jan. 29.—The copper stocks opened weak with Amalgamated a point, Utah five-eighths and Smelters an eighth lower. New York Central showed three-eighths and Reading five-eighths higher. Steel was weak with common seven-eighths lower.

Cotton was heavy and six to nine higher on good cables and unfavorable weather with March at \$9.47 and May \$9.64.

Wheat Market Firm—

CHICAGO, Jan. 29.—The wheat market opened firm and higher with May quoted at \$1.03. Provisions were weak and lower with May pork at \$16.32, lard \$9.42, ribs \$8.82. Hogs were five to ten lower and cattle ten lower.

Three Italians with hand organs and monkeys alighted from one of the afternoon trains Saturday, all smiles at again getting back to Daytona. They filed past the long row of hotel porters, receiving much good natured banter, and hurried down town to pay their horses, but evidently found "nothing doing" as a little later they returned and dejectedly wandered their way from the city along the railroad track, and headed for the more hospitable town of Ormond.

MISS WANDA LUDLOW SCORES.
HIT IN "THE BLUE MOUSE."
"The Blue Mouse" production, starring Miss Wanda Ludlow, immensely pleased the audience at the New Daytona theater Saturday evening. The piece is a farce comedy in three acts, well staged, and with a supporting company remarkably well balanced, making in all probability the most finished production the local management has offered this or any recent season.

Miss Ludlow is an actress of pleasing personality and very attractive, well able to wear the several handsome gowns displayed during the performance. Manager Sneed provided special music for the evening, adding much to the evening's entertainment. If business will warrant the added expense it is the intention of the management to provide orchestra music for all attractions in the future.

Hon. W. W. Wilson of Chicago, U. S. congressman from the state of Illinois, is a cousin of Dr. R. J. Walter of this city, and remained here after the departure of the Washington party for a short visit with Dr. and Mrs. Walter at their home on Cypress street. Saturday, Dr. and Mrs. Walter and Mr. Wilson went down to Cocoa to see Mr. and Mrs. A. S. Walter, and Mr. Wilson continued his journey to Washington from that place in the afternoon. Dr. and Mrs. Walter returning here.

Someone entered R. S. Maley's place, Hope Farm, on the Deland road one day last week and killed a fine Jersey Red hog belonging to Mr. Maley, one of a bunch that he is raising at the farm. The hog would weigh probably 150 pounds and was too heavy to be lifted over the fence, so the wires were cut and the pig dragged into the road just outside the fence, where it was skinned and the head cut off and left on the ground, the balance of the carcass being carried away. Mr. Maley is justly incensed over the matter.

The wife would be much pleased with a pair of those shears being given away by the Gazette-News. You can find out all about them at the Gazette-News office.

If These Towns

with the best of fire-fighting equipment can burn why not Daytona?

NEW YORK, Jan. 10—The fire in the Equitable Life Assurance company's building, which started yesterday morning and gutted the big granite and marble structure, is still burning today and the city firemen are working hard to subdue the flames.

Between \$1,000,000,000 and \$1,500,000,000 worth of securities are locked in the vaults of the big building and the vaults in the ruins are being strongly guarded by a cordon of police.

It is now known that seven lives have been lost in the fire and others may be in the ruins. The Equitable officers declared today that none of the policyholders will lose a cent because of the disaster. By hard work the firemen have been able to keep the blaze from spreading to other structures in the vicinity.

Big Plant Destroyed—EAST ST. LOUIS, Ill., Jan. 10—Three acres of buildings comprising the plant of the Commercial Acid company two miles south of this city were destroyed by fire this morning. The cause of the blaze was an explosion and the loss will amount to \$200,000.

Boston Tenement Burns—BOSTON, Jan. 10—The four-story tenement building at No. 10 Willard street burned this morning. Two women and one man, all Italians, were burned to death and many were rescued from death by the forming of a human chain to a nearby building.

Many Buildings Burned—BERKLEY SPRINGS, W. Va., Jan. 10—Two business blocks, five residences and a church were destroyed by fire here this morning. The blaze originated in a bakery and the total loss will reach \$150,000.

Bad Fire in Chicago—CHICAGO, Jan. 10—The warehouse of the Creamery Package Manufacturing company on West Kinzie street was destroyed by fire this morning with a loss of \$100,000. In the Northland hotel, next door, 400 guests were thrown into a panic and all were driven out into the streets in the zero weather when the roof of the hotel caught fire.

Miss Josephine Bullock of Ocala,
for the past ten days the house
guest of Miss Julia Stewart of Mag-

urday morning by the serious illness
of her baby brother. Miss Bullock
hopes to finish her visit later.

Meers, Frank Shoemaker and
Harry Correll of Niagara Falls,
N. Y., were Daytona visitors last
week, calling on friends here. Mr.
Shoemaker is employed in the Power
City bank, at Niagara Falls, and he
and Mr. Correll have been camping
at Ormond while enjoying a vacation
trip south.

A party of Western Union offi-
cials, including Assistant General
Manager Carroll of New York,
Special Agent Edwards for this di-
vision, and Superintendent L. J.
Maxwell of Jacksonville visited Day-
tona Monday. The officials are on a
tour of inspection of the Florida di-
vision and found everything in ship
shape in the Daytona office.

Mrs. W. B. Overton and Miss
Carrie Kreitzberg, daughter and
niece respectively of Mr. and Mrs.
Ernst Kreitzberg, who have been
with Mr. and Mrs. Kreitzberg at
their winter home on Volusia avenue
for the past two months departed
Sunday morning on their return to
Port Jefferson, N. Y. The young la-
dies greatly enjoyed their visit here
and were loath to leave.

Capt. and Mrs. E. M. Davis of
Port Jefferson, Long Island, N. Y.,
arrived in the city Sunday night and
are guests of Mr. and Mrs. Ernst
Kreitzberg, for a time at their win-
ter home on Volusia avenue. Capt.
Davis was formerly cashier of the
Bank of Port Jefferson and he and
his wife are on their way to Miami.
They have many friends here among
the people from Port Jefferson. Capt.
Davis and a friend visited Daytona
about 25 years ago, when the place
was in its infancy. They drove
over from Enterprise, sail boated to
New Smyrna and took the steamer
Greenwich at that place for Jack-
sonville. Capt. Davis scarcely recog-
nizes Daytona as it is today.

W. W. MARSHALL.

Without Ceremony.
More or less ceremony usually at-
tends the laying of a corner stone,
but in one case at least it was laid
quite simply.
Two Chicago men were talking of
the fortune of a third when one said:
"He made his first lucky strike in
eggs. He bought 10,000 dozen at a
low figure, put them in cold storage
and sold them at a profit of more than
300 per cent. That was the corner
stone of his present fortune."
"Ah!" exclaimed the other man;
"then the hens laid it!"

Ages Add Jargon.
Centuries ago, as Sir Walter Scott
says, in "Ivanhoe," men wore one
thickness of clothes, whether of wool,
leather or velvet. The shirt was in-
vented, but for a long time was worn
only by the nobility and gentry. Then
followed the waistcoat, breeches and,
later on, trousers. The overcoat,
which succeeded the medieval cloak,
was rare until the seventeenth cen-
tury.

Japanese Dentistry.
There are mighty few fancy touches
to the manner in which the Japanese
native dentists conduct their business.
The victim is seated on the ground,
the dentist bends over him and forces
his left hand between the patient's
jaws in such a manner that the mouth
cannot possibly be closed. Then the
dentist grabs the doomed tooth be-
tween the thumb and forefinger of the
right hand and with one deft wrench
yanks it out.
